

Kerman Christian School

April 2018

Testing

Testing for all of our 1st-6th graders will begin on April 23rd. It is important during this time that your child has a healthy breakfast and gets plenty of rest. Although it is always important for students to be on time, it is especially important during testing. Students will begin testing early and late arrivals are hard on the students that are late and disruptive to the others taking their test. Thank you for your help in this!

Registration

Registration for the next school year has started! Packets have already gone home for all students entering the first through sixth grades. If your child will be attending preschool, pre-k, or kindergarten, packets are available in the office. If you know whether or not your child will be returning next year, please let a staff member know as we are already starting to budget for the 2018-2019 school year.

We ask that all registration packets are turned in with at least one book and supply fee per family being paid. Our preschool and pre-k book and supply fee continues to be \$200. Our K-6th grade book and supply fee is \$300 when paid before June 15th. After June 15th, the book and supply fee for our K-6th grades will be \$350.

Principal's Corner

Congratulations to our K-6th graders! Our reading challenge was a success! Our students read a total of 57,981 minutes! They have earned music during lunch recess for a week!

I am so very proud of the giving hearts that our students have. We raised \$1,065.73 during our Pennies for Patients drive to help the Leukemia and Lymphoma Society.

Mark your calendars! We will have our annual Talent Show on Monday, May 14th at 6:30. All preschool-6th grade classes will perform as well as individual performances by some of our K-6th grade students. You won't want to miss it!

We have only two more months of school and that means we have a lot of activities going on! Please go through your child's folder each night so you are up to date on the activities coming up.

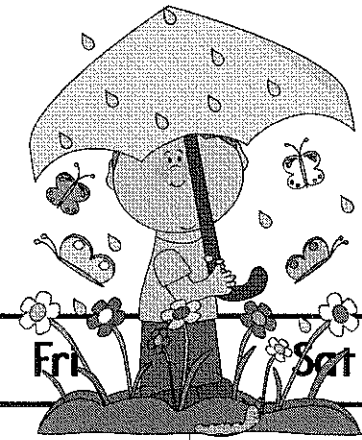

In Christ,
Mrs. Ocampo

Just for Laughs

How do you get straight A's?

Use a ruler!
