

Kerman Christian School

February 2018

Yearbooks

I am always amazed at the quality of the yearbook created by our volunteers that put it together. It takes many hours (and pictures) to make sure our students have a nice memory book at the end of the year. If you have pictures from school activities, we have disks in the office to copy them onto. We love having the opportunity to put in as many pictures as possible.

In the back of the yearbook, there are parent ads where you may write a special message to your child. Ads are \$5.00 each and must be turned in along with the ad. The date for turning in an ad is Friday, February 9th.

We preorder our yearbooks. This means we will not be selling them through the end of the school year. If you would like your child to have a yearbook, it will need to be purchased no later than March 1st. Yearbooks are \$45 and will be delivered at the end of May.

Just for Laughs!

Why was the music teacher not able to open his classroom?

Because he left his keys on the piano.

Principal's Corner

Just a reminder, instead of taking two separate days off, our school has always taken a week off during February for Presidents' Day. We will be closed the week of February 19th to the 23rd.

In Christ,
Mrs. Ocampo

Mega Math Challenge

I am so proud of our students working on their math facts in class and hope they are working on them at home as well! By memorizing math facts, students are more successful when they learn multi-step problems. The Mega Math Challenge concludes on February 2nd. Anyone who has made progress during the challenge will have some fun time on February 16th and anyone who hits their mastered goal will also get a special treat!
