Mega Math Challenge

Math facts are such a crucial concept for students to master. When students know their math facts by heart, they are able to navigate through more challenging math problems more quickly. Our K-6th teachers will be giving their students a Mega Math Challenge where within 4 weeks, they will master facts appropriate to their grade level. More information will come home from each teacher.

Skate Night

Our annual skate night is coming up on Thursday, January 25th from 6:00 - 8:00. Doors will open at 5:30. The cost is \$5.00 for children in order to skate and bounce in the bounce house. It is also \$5.00 for adults to skate. Pizza and drinks will be provided by our PAC team. This is a fun filled evening so mark your calendars so you don't miss out on Skate Night!

Principal's Corner

Welcome back! I hope everyone had a wonderful Christmas! Although it was nice to have some time off to spend with family, I was so excited to see your children Monday morning!

Just a reminder, we will be closed in observance of Martin Luther King Jr Day on Monday, January 15th.

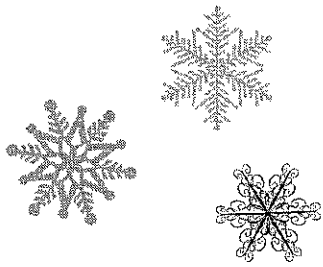

In Christ,
Mrs. Ocampo

Just for Laughs

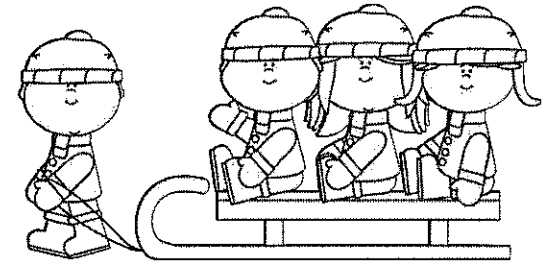

Why did the M&M go to school?
Because he really wanted to be a
Smartie.

What has given Mr. Bubbles
nightmares since elementary school?

Pop quizzes.
