Conferences

March 7th marks the end of our second trimester for our K-6th grade students! It is time to meet with your child's teacher to talk about the progress he/she made this last trimester and how we can help them improve throughout the rest of the school year.

To accommodate for conferences, all K-6th grades will have a half day Wednesday, March 14th, to Friday, March 16th. School will be dismissed at 11:30. After school care will be available. Please remember to send a lunch if your child will be staying past 11:30. If you have ordered a hot dog or pizza lunch it will be sent home with your child.

Reading Challenge

Our K-6th Grades have begun their annual reading challenge! Students have been put into five teams to see who can read the most minutes. Our students are excited to read in order to win individual, group, and whole school prizes.

Remember to log your child's reading each night on the reading log sent home and turn it into school each Friday for your child's minutes to be counted. We love seeing how eager your children are to read!

Principal's Corner

I can't believe we are starting our third trimester! We will celebrate all of the academic accomplishments our K-6th grade students have made during the second trimester on Friday, March 16th, at 8:15 in the worship center.

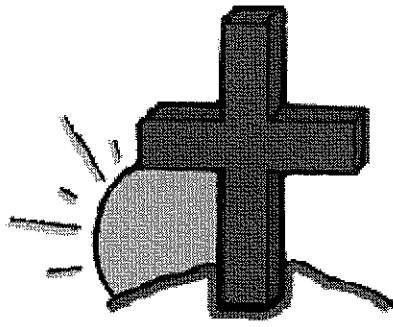

Registration has begun for next year. Packets have gone home for all students who are currently enrolled in our kindergarten to 5th grades. Packets for our preschool, pre-kindergarten, and kindergarten classes as well as additional packets for our 1st-6th grades may be picked up in the office.

In Christ,
Mrs. Ocampo
